Immersion

Task Based

CHIN 101 Online 5 Units Transfer Credit: CSU; UC

Develop Chinese language skills to handle everyday survival situations.

Acquire basic Chinese communication skills through a variety of fun, meaningful activities.

Learn how to study Chinese using technology, such as apps, social media, messengers and an abundance of useful online Chinese learning resources.

Understand Chinese history, culture and society through live demos (Kung Fu, calligraphy, dance, music, etc.), videos, and films.

Build a solid foundation through intensive drill for the pathway toward earning an Associate of Arts degree in Chinese.

K-12 students are welcome to join the course (Free Tuition).

Technology Assisted
